3. Confirm identity and price

After confirming the price, you can click "Next" to enter the registration form page.

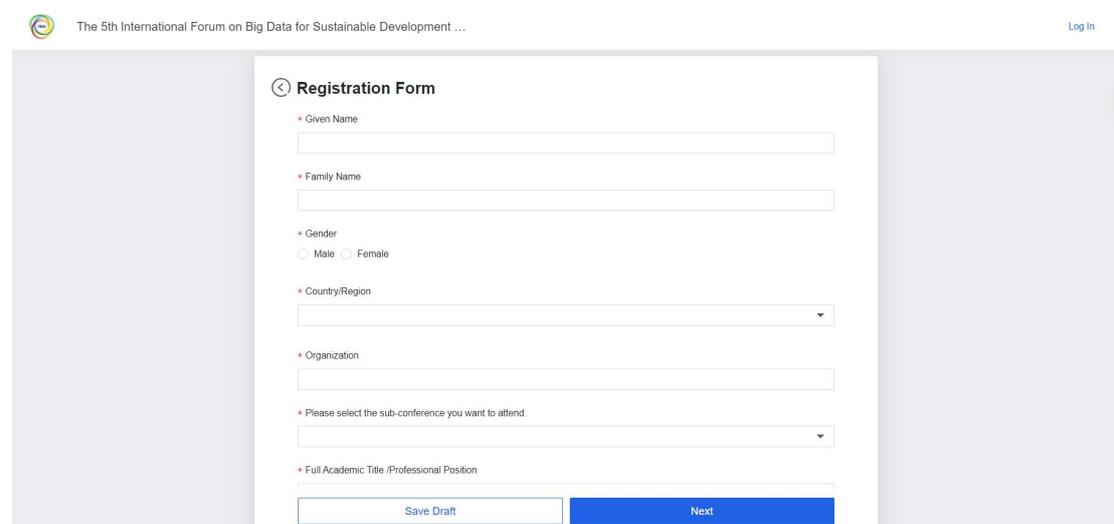

The fields marked with * on the page are all required fields.

On this page, you can choose the session you want to participate in, and multiple selections are supported.

After filling in the information, please check the box to read the registration statement.

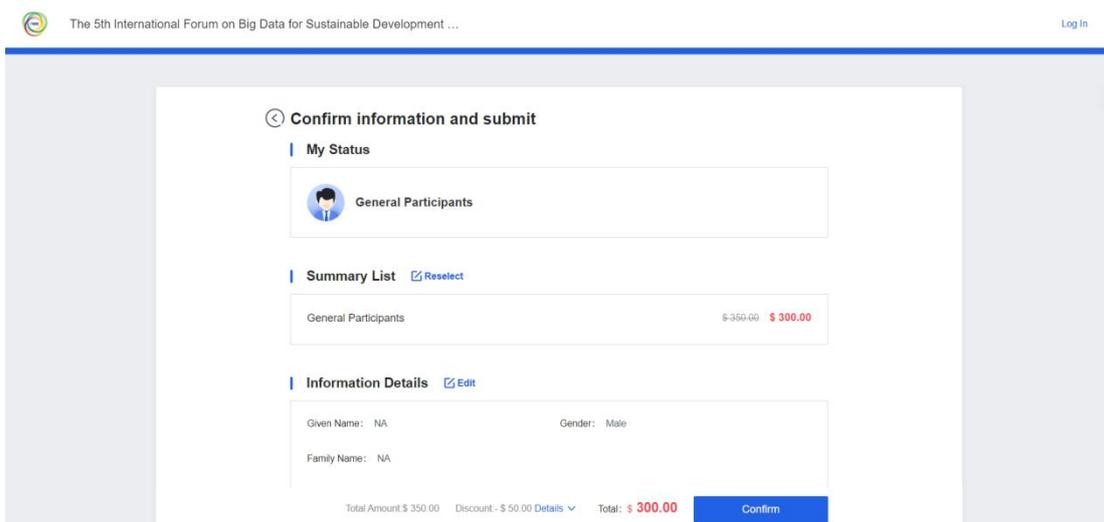

The screenshot shows a 'Select Ticket' interface. At the top left, there is a back arrow and the title 'Select Ticket'. Below this, there is a radio button next to the text 'General Participants'. To the right of this, the price '\$ 300.00' is displayed in red, with '\$-350.00' written below it in a smaller font. At the bottom center, there is a wide, light gray button labeled 'Next'.

The screenshot shows a 'Registration Form' page. At the top left, there is a back arrow and the title 'Registration Form'. The form contains several fields, each with an asterisk indicating it is required: 'Given Name' (text input), 'Family Name' (text input), 'Gender' (radio buttons for 'Male' and 'Female'), 'Country/Region' (dropdown menu), 'Organization' (text input), and 'Please select the sub-conference you want to attend' (dropdown menu). At the bottom, there is a 'Full Academic Title /Professional Position' field. At the bottom of the form, there are two buttons: 'Save Draft' and 'Next'.

4. Make the payment

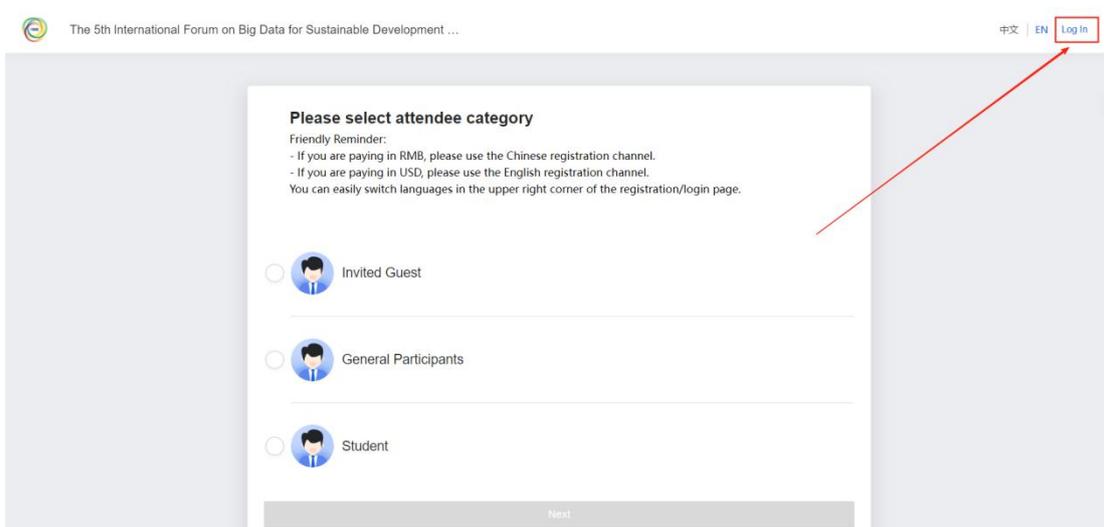

After confirming the information, you can pay the registration fee through "Allinpay".

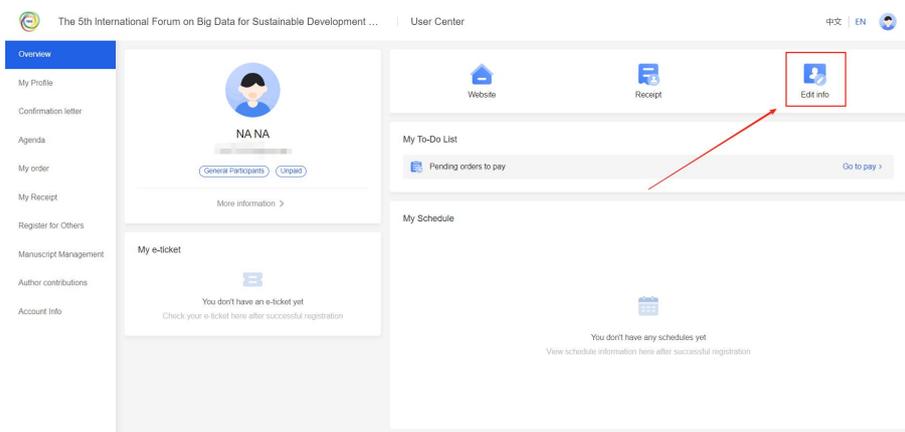

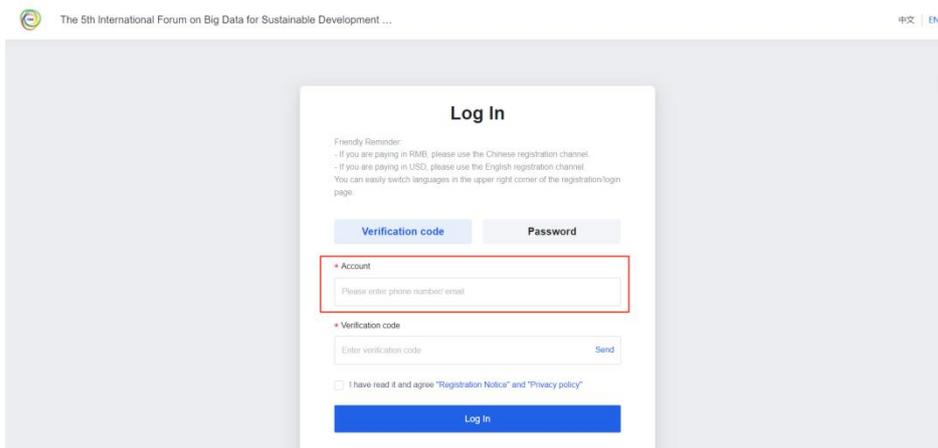

5. Modify the information

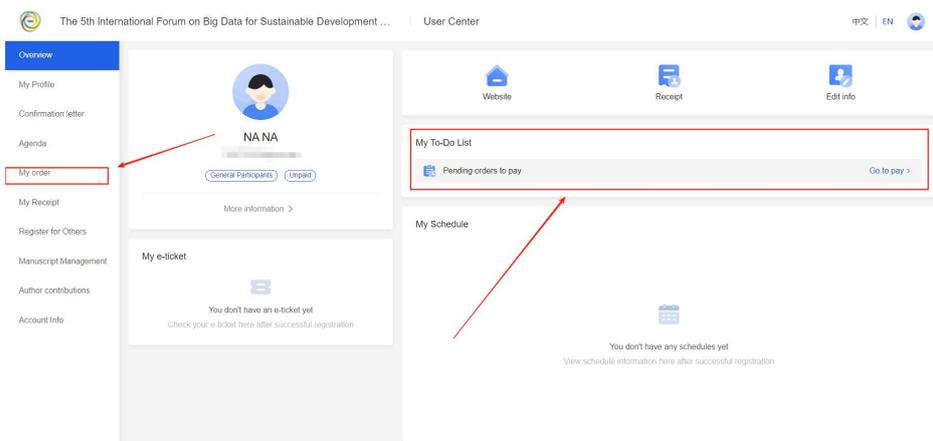

If you have submitted your registration information but haven't paid the fee yet and need to modify it, you can choose to log in at the top right corner of the page.

Log in using the mobile phone number/email address you filled in during registration.

If you have submitted the information but have not made the payment immediately, you can also log in to your personal center, click on the order list to search for orders, and pay the registration fee.

6. Technical Hotline

If you have any questions during the registration process, you can call the technical hotline: 010-82178356
